Chanukah

Chanukah, oh Chanukah, come light the menorah
Chanukah, oh Chanukah, come light the menorah
Gather 'round the table and let's have a treat
Happy songs we'll sing, and latkes we'll eat
And while we are singing
The candles are burning bright
One for each night, they shed a sweet light
And remind us of days long ago
Oh Chanukah, oh Chanukah, a festival of joy
A holiday, a jolly day, for every girl and boy
Gather 'round the table and let's have a treat
Happy songs we'll sing, and latkes we'll eat
And while we are singing
We'll think of those days long ago
And then we'll tell the story of the miracles, glory
And dance by the candles burning low.
